## From The President's Stash

Happy Spring to Everyone,

I have planted four tomato plants in pots this year. Never have I had success with a garden since there is very little sunlight that reaches through the trees in my yard. I'm trying pots this time so I can move them to the few areas that do get sun. I look forward to having a tremendous harvest in a couple of months.

Don't forget that our 2022 quilt show is quickly approaching. There will be a "Covid" inspired category for the show. This is your quilted interpretation of your corona virus experience. Can't wait to see the entries.

If you are looking for a way to become more involved with the guild, consider joining one of the bees. Information about each bee is in this newsletter. There are also many ways to help out with our quilt show. If your time is limited, some of the positions require only an hour or two. You may also want to consider joining Charity Bee. It's a great way to meet other members and help the many groups we support. We'd love to have each of you join us. Our guild is stronger when we all participate.

We are still asking for donations for door prizes, charity bee, Quilter's Treasure Aisle, and Tin Can Raffle. Look through your fabric stash, quilting books and patterns, rulers, templates and any other quilting notions that you no longer need. We'd love to receive them. You can either contact the chairs for these positions or bring them by Cypress Crossing Christian Church on Cypress-Rosehill Road at Huffmeister Rd. the fourth Wednesday of each month.

Sincerely,

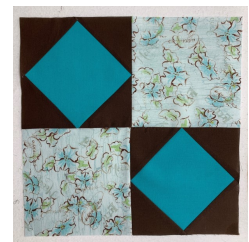

Janet Winkler

President

**Welcome to all Members!!** Many of you put in volunteer hours each month but cannot always make a guild meeting, just email me at the guild's email address {tricountyguild@gmail.com} and let me know your hours so I can include those in our monthly report. Also, please...when signing in for the guild meeting, give yourself two (2) hours credit for participation plus any volunteer hours you have accumulated. **Becky Burkett**

[ceblsm@hotmail.com](mailto:ceblsm@hotmail.com)

We are very happy that so many of you have been joining us via Zoom for our monthly guild meetings. The guild has been paying Zoom for an add-on that allows us to have more than 100 people log in to our meetings. This means that our next meetings will be limited to the first 100 people who sign in. Our meetings are scheduled for 7:00 pm and we begin to admit members around 6:30 pm. We hope you join us as we have many amazing speakers planned for the coming year.

May 4—Carmen Geddes

“ Make the Quilt you wish you had inherited”

Tensisters  
Handcrafter

Carmen was raised in a big family of 17 kids- 10 girls and 7 boys. Her business name is Tensisters Handicraft. From an early age she was taught to quilt by her mother and sisters. She has had a children's clothing business in Seattle, was a freelance educator for Viking and Pfaff for 15 years, and is an award winning long-arm quilter. She has taught at many quilt shows around the country.

She was named HMQS Teacher of the Year 2013

Something she often says in class is, ***“If it looks HARD, but is actually really EASY then that is my style!”*** Her classes focus on quilting techniques-- skill building and confidence building. She loves the traditional quilt patterns of days past, but loves new, easy techniques to make the process fun, faster, and successful. She has developed the Tensisters Piping Tool and the Tensisters Easy Piecing Grid with its companion book, “Ten Quilts for Ten Sisters”.

Although her favorite work is to be in the classroom teaching quilting techniques, her real love is her family of five kids, their spouses, her ten beautiful grand kids, and her husband of 36 years, Patrick. Her other hobbies are digging in the dirt; whether gardening, dutch-oven cooking, making rock pathways, or playing in the sand box.

Look for a Zoom Link in your email. You can log on as early as 6:30. The guild meeting begins at 7:00.

June 1st - Karen Combs

A native of Michigan, Karen Combs began quilting while still in high school. She has a degree in library science and has worked at many state, city and school libraries before finding her calling as a professional quilting instructor, writer and designer.

Her quilts are known for taking a traditional pattern and giving it her own unique "twist." Karen is intrigued with quilts of illusions and has been designing quilts with a 3-D look for several years.

Karen is the author 9 different books, some of the titles include **Optical Illusions for Quilters (AQS)**, **Combing Through Your Scraps (AQS)**, **Floral Illusions (AQS)** , **3 Quilters Celebrate the 4 Seasons (AQS)** & **3-D Fun with Pandora's Box**, co-authored with Sharlene Jorgenson of Quilting from the Heartland, **Celtic Pieced Illusions (AQS)** and **Lone Star Illusions**.

Look for a Zoom Link in your email. You can log on as early as 6:30. The guild meeting begins at 7:00.

## *2022 Kaleidoscope of Colors*

We unveiled a 1-minute slideshow at the last guild meeting for everyone who was in attendance and then posted it to the Facebook group. If you haven't seen it yet, check it out! And if you aren't on Facebook but would like to see it, let Barbara or Debbie know and we can share a copy with you via email.

If you would like to help travel the quilt to area quilt shops, etc. please let Debbie Kelton know. She is actively looking for volunteers. It's a great way to enjoy a short road trip for a day as we start to become social once again.

If you have a multi-needle embroidery machine, please let Deb Durr know. She is heading up the ribbon making for our winners and with 200 to make, she can always use extra people to help with the process.

Our boutique group has been busy the past few months making items to sell at the show. They made several barn quilts in April which look fabulous! Thanks for all the hard work from everyone who participated.

Barbara Boone & Debbie Kelton

May 2021 BOM  
Tri County Quilt Guild  
Four Patch Variation  
Block Name

A square in a square on opposing corners of this 12" finished block adds a little twist to this simple four patch pattern. The method I chose to use for making a square in a square uses a little more fabric, but I find I get better blocks this way.

**NOTE: All seams are sewn with a scant 1/4" seam allowance.**

**Cut:**

Teal: 2– 6-1/2" x 6-1/2" squares.

Print: 2– 6-1/2" x 6-1/2" squares

Brown: 8– 3-1/2" x 3-1/2" squares

**Directions:**

In a nutshell, we're going to "snowball" the corners of each teal square of fabric.

Draw a diagonal line from corner to opposite corner on the wrong side of the eight brown fabrics.

**For one "Square in a Square" unit:**

Place two brown squares in opposite corners of a teal square as shown in photo 1.

(Note the direction of the drawn line.)

1a.

Sew along the drawn lines, fold the brown fabric to the corner and press.

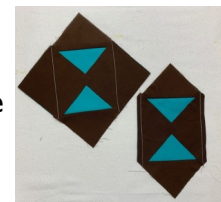

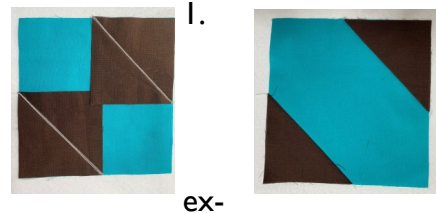

If you've stitched correctly, the corners will match up

as shown in the picture on the right. (1a)

You may leave all four layers of fabric in the corners or trim 1/4" seam allowance as desired .

2. Repeat this process for the opposite pair of corners and making sure all corners match up before trimming any selvages if desired.

(You can see on the right that I've chosen to trim away all selvages once I've assured myself that my corners all meet up.)

**NOTE: Make sure that you've left 1/4" seam allowance beyond the points of the teal fabric before trimming selvages away.**

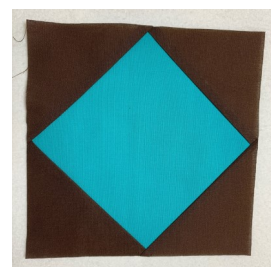

You now have one Square in a Square unit as shown on the right.

Repeat this process for the second Square in a Square unit.

Press your two finished Square in a Square units and trim each unit to  $6\frac{1}{2}'' \times 6\frac{1}{2}''$ .

Arrange the four  $6\frac{1}{2}''$  units as shown.

Sew the two units of row one together and press toward the print fabric.

Sew the two units of row two together and press toward the print fabric.

Each row should measure  $6\frac{1}{2}'' \times 12\frac{1}{2}''$ .

Sew row one to row two nesting the seams in the middle and press seam allowances as desired.

Give the finished block a good press and trim to  $12\frac{1}{2}''$  square.

If you choose to make extra blocks this month, feel free to make the Square in a Square units as you prefer.

If you would be so kind, please return the plastic bag your block kit came in so we can reuse it.

If you have any questions or comments, please contact me at 918-808-2667 or [elainebullard53@yahoo.com](mailto:elainebullard53@yahoo.com).

*Thank you for participating in Block of the Month.*
